## Hi, I'm Michelle

YOGI. DIGITAL ARTIST. MENTOR.

#### Let's Chat

I love the art of languages. My native language is English, but I also play around with Spanish, Sanskrit, Italian, and French.

#### Let's Share a Message

I love to teach what I know. A mission statement can be expressed in so many languages, including pictures!

Discovery Call

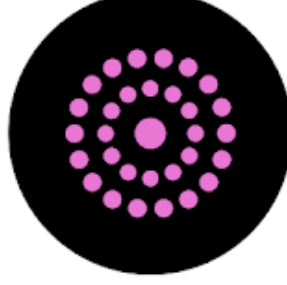

## What motivates me

Give me a goal, a deadline, and a cup o' Joe and watch the magic happen. There is something about creating something that wasn't there a moment before I arrived.

## My Strengths as a Creator

Creative  
Methods

Client-Centered  
Approach

Personalized  
Content

Flexible  
Timetable

## My education milestones

#### UC Berkeley Extensions

Digital Photography  
When the world shut down, I logged on to master my craft.

#### UC Berkeley Art Department

- Visual Storytelling  
- Photo Editing  
- Typography  
- Color Palettes

#### FAA Drone Pilot Pilot Institute

The Yogis need aerial drone videos and I'm the girl to do it. Perks include tax deductible retreats.

#### College of DuPage Associates Degree

Your garden variety education with a side of Physical Education and Business Management.

Discovery Call

## My teaching certifications

#### Yoga Alliance

I am a Registered Yoga Teacher with highest distinction with Yoga Alliance as an E-RYT 500. This means I've mastered my studentship and continue to do so.

#### I am committed to learning

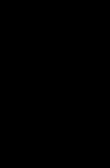

I turned off Netflix a few years ago when I realized I'd rather create media than consume it. I have a drawer full of certifications that I will one day wallpaper the hall with.

#### I am committed to teaching

There is nothing that sets my soul on fire more than mentoring someone towards their hopes and dreams. That's my jam.

Discovery Call

## My teaching career

#### Classroom Experience

I have led yoga classes and teacher training for over a decade. I have authored over two dozen courses. These live in cyberspace and continue to grow.

#### Online Classes

Some folks don't enjoy an online platform, but please do give this introverted-extrovert a platform! What better way to reach a million people?

#### Personal Mentorship

Mentorship is a lost art that needs to make a big comeback. I'm here to help peeps find their hopes and dreams.
